Last Updated Monday, 12 December 2011

The OAA will send one or two adult archers to three Championship events in 2012 – The NFAA U.S. Indoor Championships, the FCA 3D Championships, and the FCA Target Championships. The selection process is based on scores from qualifying events compared to previous scores from the national/international event. A process of plus-minus selects the most competitive non-carded archers. Archers must not have Quest For Gold funding, or be provincially or nationally carded.

The OAA covers the cost of transportation and accommodation up to a maximum which will be posted prior to the qualifier, and team shirts. The archer is responsible for registration fees for the tournament, and any association fees (FCA or NFAA affiliate), meals, and personal expenses. All expenses must be documented and receipts filed with the OAA office for reimbursement.

NFAA Indoor National Championships

The 2012 Championships will be held in Louisville, Kentucky, March 31st-Apr 1st, 2012. The selection process is open to archers 18 and older who are both OAA members and residents of Ontario. Archers will be selected based on the results of the OAA IFAA Indoor Championships held in various locations January 21-29th 2012. The NFAA Championships is twelve rounds of 5 arrows each day, using IFAA five-ring targets. Candidates are asked to contact the VP of Athlete Development at oaajuniordevelopment@hotmail.com to put their name on the signup sheet to be considered for this team. Competitive NFAA Equipment categories eligible for the team are Adult (18+) and Senior (55 +) in Male or Female Freestyle, Bowhunter Freestyle, Freestyle Limited Recurve (Olympic), and Traditional. Age and equipment groups can be found at www.nfaa-archery.org/tournaments/IndoorNationals/divisions.cfm. The team will be announced within two weeks of the last OAA IFAA Indoor Championships tournament day.

FCA Canadian 3D Championships

The FCA 3D Championships are being held in Vernon, British Columbia, August 3-6th, 2012. The selection process is open archers 21 and older who are both OAA members and residents of Ontario. Archers will be selected based on their results at the OAA 3D Championships held at Flying Feathers, Madawaska, July 7-8th. Competitive Categories eligible for the team are Senior, Male or Female, in Bowhunter Open (may shoot open class at OAA 3D Championship), Bowhunter Release, Hunter, Recurve Unaided, Traditional or Master 50, Master 50 traditional, Master 60. The FCA 3D Championship consists of 80 targets, shot over 3 days under FCA equipment rules. Candidates are asked to place their name on the signup sheet at the tournament to be considered for this team. The team will be announced at the 3D awards ceremony.

FCA Target/Field Championships

The FCA Target/Field Championships will be held in Victoria, British Columbia, August 9-12, 2012. The selection process is open to archers 21 and older who are both OAA members and residents of Ontario. Archers will be selected based on a minimum of one four distance FITA round and one 720 single distance round to be signed by a witness or a judge and emailed/faxed to the VP of Athlete Development no later than July 15, 2012. The best of each will be combined for a total to be used. Competitive Categories eligible for the team are Senior Male or Female in Compound and Recurve, and Master Male or Female, in Compound or Recurve. The FCA Target Championships is comprised of a 1440 FITA and a

720 round. Candidates are asked to place their names on the signup list by contacting the VP of Athlete Development at oaajuniordevelopment@hotmail.com.
